Dear Parents and Carers

Ofsted Inspection

As you may be aware, Ofsted visited Glenmoor Academy in December to carry out a routine, ungraded inspection. Following this, we are very pleased to inform you that the inspectors confirmed that the school has taken effective action to maintain the standards identified at the previous inspection, during which the school was judged 'Outstanding'. This is an excellent and highly deserved outcome for the school and a testament to the continuous hard work of students and staff alike.

In the inspectors' glowing report, students are praised for being "*committed*" and "*successful in all areas of their learning*". It is particularly gratifying that students are said to feel a "*strong sense of belonging*" and are "*proud to attend*" Glenmoor Academy. Equally, the inspectors commended the "*high-quality curriculum*" which ensures that students are "*extremely well prepared for their future pathways*". All students, including those with special educational needs and/or disabilities (SEND), are said to achieve "*excellent academic outcomes*" and to "*thrive*" at the school.

In addition to a strong academic education, the inspectors noted the many extra-curricular clubs and activities on offer to students at Glenmoor such as choir, archery and martial arts. They likewise commended the school's focus on developing students' character and resilience, including through a vast range of leadership roles. We would encourage you to read the report in full which is now available on the school website.

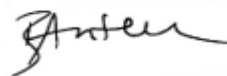

We would like to thank you for your ongoing support of the school and your child's education.

May we wish your child a successful start to the new term.

Yours sincerely

Sir Jon Coles
Chief Executive

Ben Antell
Director of Secondary Academies
