Dear Year 11 Parents and Carers,

**Re: Excellent attendance post mock examination**

I appreciate your continued support and am thrilled to acknowledge the commendable effort and commitment demonstrated by our Year 11 students during the recent mock exam period. Their positive and hardworking attitude, particularly in attending before-school and after-school revision sessions, reflects a strong desire to succeed.

The dedication shown by many students has not gone unnoticed, and we commend them for their proactive approach to their studies. While the mock exam period may bring about stress, overcoming these challenges showcases resilience, providing valuable coping skills for future exams and life's stresses.

Maintaining high attendance in the remaining three weeks of the term is crucial for continued academic support. We understand time constraints and appreciate your encouragement for regular attendance. Wellbeing support services are available for students' needing assistance, and enrichment clubs offer a break from academic pressures.

As we approach the final weeks of term, I encourage a collective goal for our Year 11 students – **strive for no days off**. Regular attendance during this period will undoubtedly contribute to their success. To motivate them further, we will conduct **student and family prize draws for those with 100% attendance** from Monday 27 November to 12 December and **launch our new attendance scheme, Points to Prom**.

Post-mock lessons are of utmost importance as they provide an opportunity to refine and build on subject-specific knowledge in preparation for the next round of examinations in March. Excellent attendance at school consistently correlates with positive outcomes, and I am confident that, with your continued support, our Year 11 students will thrive academically.

Thank you for your cooperation and partnership in ensuring the success of our students. We look forward to celebrating their achievements in the coming weeks.

Best regards,

Leon Lima  
Principal
